The Medford Branch of Futurity First Insurance Group Hosts Holiday Drive to Support Local Women and Children's Shelter

Medford, OR (December 16, 2011) Throughout the month of December, the [Medford Branch](#) of [Futurity First Insurance Group](#) is hosting a drive to support the [Community Works Dunn House](#), a local women and children's shelter.

The team of agents and managers in the Medford Branch hopes to make a significant contribution of much needed supplies and financial donations to the Dunn House which offers a refuge for those affected by domestic violence. The branch is also encouraging the entire community to participate by dropping off non-perishable food items, clothing and other supplies at the office located at 300 Crater Lake Ave, 1st Floor, during regular business hours.

Specific items and gift ideas include: bedding, household and bathroom cleaning and paper supplies, personal care items, kitchen utensils and food storage containers, baby care items, health care products including first aid supplies, ibuprofen, aspirin and Tylenol, non-perishable canned foods and dry goods, individually wrapped snacks, juice boxes, and candy, phone cards, as well as coloring books, markers and crayons.

Dale Mlasko, Branch Manager, says that helping others and being involved in the community is an integral part of the branch's mission. "We don't take on this responsibility because we have to or because we'll get all kinds of attention. We do it because we truly believe that if you are going to be a business serving your customers in this community that you must give back in some way. Supporting the Dunn House during this holiday season is one of the ways that our branch demonstrates this heartfelt belief," explains Mlasko.
