Thomas Shultz Joins Futurity First Insurance Group as Manager of the Greater Arizona Branch

Rocky Hill, CT (July 12, 2011) Futurity First Insurance Group has announced the appointment of Thomas Shultz as Manager of the Greater Arizona Branch. The announcement was made by Curtis Carey, Sales Vice President for Futurity First Insurance Group.

As manager of the branch office, Shultz will develop the company's business presence and customer base in the North Phoenix and surrounding area. Originally from Hodgenville, KY, Shultz is currently a resident of Scottsdale and has nearly 10 years of sales management experience. Prior to joining Futurity First, he held the position of Jr. Vice President at The Dollarhide Financial Group, LLC/MassMutual. Prior to that, he was the Branch Manager of the Scottsdale office of Bankers Life & Casualty where he built a successful local office.

Active in the community, Shultz was involved with four local organizations: LifeBridge Community Alliance (LCA) which helps children and families access vital community resources and Kids Smart Start, a program that educates kids and parents about the value of money and savings. Shultz is also a supporter of Phoenix local performing arts and is involved with the Herberger Theatre Center in the Sponsor –A-Seat program. In addition, he is a sponsor for the National Association Of Asian American Professionals (NAAAP), the largest and fastest growing Asian American organization in the US and Canada.

"I am pleased to welcome Thomas to Futurity First as manager of our Greater Arizona Branch. His strong sales management background and financial services experience will serve Futurity First agents and customers well in this very attractive market," said Carey.

"This is an exciting opportunity to build the Futurity First presence in the communities in Scottsdale and throughout the valley," said Shultz. "We believe it's important to live and be active in the communities we touch, and we consider it an honor and privilege to serve their retirement income and insurance protection needs."
